BORDERLANDS 2
COSPLAY REFERENCE

"Jack's daughter. He protects her. Maybe he's a bit overprotective, but that's a father's right, isn't it? And maybe he manipulates her abilities to his benefit, but that's also a father's right, right? And maybe he's performed experiments on her...

Okay, so Jack's not the best father. Angel turned out pretty good though. Sweet, supportive, and self-sacrificing, she lives up to her name."

- Matt Armstrong, Borderlands Franchise Director
